

Because it is not urgent,
the matter was left aside...
However a lot happened in
the meantime (Act 04 - Act 14)

Now it is the time
of Teachers' Day,
i.e. the night of Act 14

Everyone forgot
about the Teachers' Day.

I was lucky to have the Council President save me today... I didn't expect Counselor Xia to be someone like that...

I'm an innocent child like me know something.

And about Hiao and her brother...

Awkward!
What should I do?

I don't even want
to be a teacher that!

And I don't deserve
being a teacher!

How should I face
the children...

What should
I do?

Lanlan.

What should
I do?

Note: Xinxin-shijie is a pun on the name of the character Xinxin, who is a teacher.

*T/N:
The Chinese word has double meaning. I feel like both should be here.

I am probably
four months out
and I have the
chance to decide
about life now.

Don't know
such a serious
problem
sensitive.

However if
it is Lorian

I believe you will
be a popular
teacher...

Because your breasts
are very powerful,
the kids must love
them. Be sure of it.

Soft

What a pity, it will
be difficult to grasp
them in the future.

Xinxin-Shijie!!

Only if Ma Lonlon can stay the same a few years later

Meanwhile, the former Class Teacher received some very pragmatic gifts

尽职尽责的好老师仍然是多数。

不要以偏概全。做个成熟的读者.....。

Most teachers are responsible.

Don't overgeneralize. Be a mature reader.
